## 範例說法A: A Hotel Room

- This looks like a nice hotel room in an expensive hotel. The style of the room is modern and there are two double beds. There's a lamp in the back right corner, a flat screen TV hanging on the wall opposite the beds, and a work desk in the back, next to the window. If I had the money, I would like to stay in a hotel like this.

# 範例說法B:

## A Hotel Room

- Welcome to this modern deluxe room. This room offers twin double-beds, floor-to-ceiling windows with great view, a small refrigerator, a work desk and a comfortable chair, a 42-inch flat screen HDTV, and free WiFi for your business needs or leisure. Some rooms have scenic city or mountain views. Special touches include daily delivery of a local newspaper. We also include an iron and ironing board, a coffeemaker upon request. You'll surely enjoy your stay.

- receptionist
- robot
- hotel service
- interact with guests

## 範例說法A:

### Robot

- Here is a very human-like robot. It even has a funny facial expression. It looks like this robot could work at a hotel as a receptionist. It could communicate with the guests and collect their booking information and maybe even show the guests to their rooms. But I'm not sure if I would prefer to be greeted by a real human or a robot.

## 範例說法B: Robot

- One day soon you may be staying at a hotel and, when you ask for directions to the pool or what time breakfast starts, the concierge helping you will be a robot. The robot will act as a hotel concierge, answering guests' questions and interacting with hotel guests. You can ask him or her about local attractions, and dining options.

## 範例說法A: Buffet

- This looks like a really nice buffet. There are many different kinds of dishes. It appears to be a Western style buffet. For example, I can see tomatoes and some other vegetable dishes. I think this buffet is most likely in a nice hotel. It's possible the hotel is in Taipei. Taipei has many famous buffet-style restaurants like these.

# 範例說法B:

## Buffet

- At our buffet restaurant, we like to keep our dishes fresh, full of color, and bursting with flavors. Our restaurant offers a fresh local seafood buffet accompanied by a selection of international dishes. Our chefs look for locally farmed seasonal vegetables and fruits. The menu features chef's choice dishes and a dessert bar. We include a variety of healthy salads, chef's bread selection, and local cheeses.

# 範例說法A:

## Traveling in Taiwan

- Taiwan is a relatively small island but there are a lot of places you can go to. For example, in the North there is Taipei and the Chiang Kai Shek memorial building. There is also the National Palace Museum. If you like nature, then the East Coast of Taiwan has Toroko Gorge and lots of beautiful coastline. And if you like the beach, Kenting in the South has some nice white-sand beaches. The best thing is that the high-speed rail makes it easy to travel from the North to the South.

## 範例說法B:

### Traveling in Taiwan

- Taiwan is one of the most welcoming and friendly countries in the world. Taiwan also enjoys the reputation for having some of the most delicious foods, with a vast choice of Chinese food and local delicacies. Travelling around the island is not too difficult. People in Taiwan enjoy high living standards compared to Southeast Asia, but prices are generally lower than in most other developed nations. That means you can travel around Taiwan without going bankrupt.

## 範例說法A: Starbucks

- Starbucks is a very famous company. It has stores all over the world. It's very popular among young people in Taiwan. Often times they will have promotional offers, like "buy one get one free." I usually never buy drinks at Starbucks because they are too expensive, but I will sometimes buy one if I have a coupon. Overall, I think Starbucks' drinks are good, but they're just too expensive.

## 範例說法B: Starbucks

- There are a few reasons for Starbucks' great success: First, they offer good quality drinks, in comparison to some local coffee shops. The cups and materials used are also well made. Second, the Starbucks experience is familiar whichever Starbucks you go to. Third, their staff is usually very well trained and courteous. Fourth, you can customize your drinks. Last of all, you can sit all day at Starbucks, and they don't mind.
